Professional Summary

Angular Developer with 4+ years of experience building **enterprise-scale, multi-tenant SaaS applications** using **Angular (v8–20+), TypeScript, JavaScript, and RxJS**. Proven expertise in **frontend architecture, performance optimization, lazy loading, and state management**. Skilled in developing **scalable and responsive web applications** with strong **REST API integration** using Node.js and Express.js.

Professional Experience

Violet Infosystems Pvt. Ltd Aug 2022 – Present
Software Developer Mumbai, Maharashtra

- Developed and maintained **enterprise web applications** using Angular.
- Worked on **multi-tenant SaaS architecture** for scalable applications.
- Implemented **lazy loading, modular structure, and performance optimization**.
- Integrated **REST APIs** using Node.js and Express.js.
- Built **reusable UI components** using HTML, CSS, and Bootstrap.
- Collaborated in **Agile/Scrum environment** for feature delivery and bug resolution.

Technical Skills

Frontend: Angular, TypeScript, JavaScript, RxJS, HTML5, CSS3, Bootstrap, Kendo UI
Backend: Node.js, Express.js
Database: MongoDB
Tools: Git, Postman, VS Code, Cursor
Concepts: REST APIs, Responsive Design, Performance Optimization

Key Projects and Ownership

Company Projects (*Ownership*)

- **vGenAI & Chatbot:** Built a **reusable, multi-instance chatbot extension** using modern JavaScript and Node.js, integrating **OpenAI and Gemini LLMs** with **Shadow DOM isolation** for cross-platform reuse.
- **LMS (Learning Management System):** Contributed to development of a **multi-tenant SaaS-based LMS platform** using Angular, supporting multiple enterprise clients with scalable architecture.
- **Dynamic Forms & Reporting Module:** Developed configurable **dynamic forms and reporting features** using Angular and REST APIs, improving data handling and user experience.
- **Authentication & User Management:** Worked on secure **authentication flows and user management modules**, ensuring role-based access and smooth user operations.

Education

Bachelor of Science in Information Technology (B.Sc IT) 2017 – 2020
Thakur College of Science and Commerce (affiliated to University of Mumbai) Mumbai, Maharashtra

Certifications

- **The Complete JavaScript Course 2025: From Zero to Expert**
- **Angular - The Complete Guide (2025 Edition)**
- **Generative AI Foundations Certificate Program** (UpGrad) – 2026
- **MEAN Stack Development Program** (LiveWire, Andheri, Mumbai) – 2022

Personal Projects

Portfolio Website (*Personal Project*)

Portfolio Link

- Developed a **personal portfolio website** to showcase projects, skills, and experience using modern web technologies.
- Designed a **responsive UI** with clean layout and smooth navigation for better user experience.
- Highlighted **Angular and web development projects** with detailed descriptions and live previews.
- Focused on **performance optimization and accessibility** for seamless cross-device usage.

Additional Information

- Willing to relocate: Pune, Noida, Mumbai
